

FIT-OUT WORKS

Fit-out and refurbishment are core elements of Metrix's work. With an international experience base representing numerous industry sectors we have extensive experience in every aspect of fit out.

Metrix undertakes the following services but not limited to:

- Flooring, partitions and ceilings
- Woodworks and upholstery
- Metal works (Architectural & Structural)
- MEP works
- Low current (data networking, CCTV, Sound system, etc.)
- Signs
- Special Finishes

The Metrix team delivers a friendly, stress-free approach to the entire process, coupled with the highest degree of professionalism while working with the leading names in retail, hospitality and commercial industries
